Date:

[Dr. H. Manikandan]

Course Instructor

Professor & Head,

Department of Chemistry

Annamalai University.

EXTENSION ACTIVITIES

Extension is an important activity that enhances the status and public recognition of a profession and the welfare of society at large. Exposure to extension activities sensitizes the students towards social issues and also to legal and social remedies.

Extension activities carried out to imbibe the values of social responsibility, such as:

1. Help the people in need and distress.
2. Understand and share the needs of underprivileged people.
3. Promote cleanliness in all spans of life and common places, and untidy areas.
4. Acquire social values and a deep interest in environment-related issues, etc.

Learning outcomes of the extension activity:

- Enlarge the knowledge of social issues and search for solutions.
- Develop a passion towards affected people and the destitute.
- Develop skill and aptitude for problem-solving.
- Develop social skills, communication skills, management skills, leadership skills, etc.

These activities are helping students to come into contact with society and the community. Awareness is created about various social problems facing society, and solutions are found for them. This benefits the students in developing a well-rounded personality. Such extension activity helps students in their holistic development, develop leadership qualities, spirit of nationalism, and cooperation. Understanding of the social environment enriches students' personality through actual participation in the day-to-day life of society. This process of learning is not only a desirable supplement to the classroom education but also develops in the students a sense of responsibility, tolerance, and team spirit. Continuous voluntary activities by students to maintain cleanliness in and around the campus, create awareness about the role of a clean environment in human health, and contribute to the commitment.

Objectives:

- To clean our society, green our society, and make it a plastic-free zone.
- To create awareness among the people to help others.
- To play a role in the green India and clean India mission.

Key Feature:

A team of students and teachers were present at the location and Professor of Chemistry cum an extension activity in charge, **Dr. H. MANIKANDAN** has given an informative speech on the importance of swash Bharat/ clean India at the start of the event or programme, and we all observed that, and got a lot of inspiration from him for our country development and clean India mission. Refreshment was provided after the completion of the activity, and a certificate of appreciation was provided to everyone. As the end of the event was approaching, there was a sense of satisfaction on the faces of students to see our environment clean, and a team of teachers was appreciating the students for their work, who all participated in the event, making it a huge success.

1. ANTI-RAGGING AWARENESS WEEK

The Faculty of Science organized an "Anti-Ragging Awareness Week-2025" from the 12th to the 18th of August, 2025. Students actively participated in classroom sessions overseen by faculty members to promote a safe, welcoming, and inclusive campus environment. The campaign was held under the core slogan "Say No to Ragging, Yes to Respect & Friendship," reinforcing the university's strict zero-tolerance policy and encouraging positive peer interactions.

Location: Annamalai Nagar | **Dates:** 12/08/2025 - 18/08/2025

2. NATIONAL SERVICE SCHEME (NSS) PROGRAMME INAUGURATION

An official event under the National Service Scheme (NSS) was organized at Annamalai University. The programme formally commenced with the traditional lighting of the lamp by dignitaries and faculty members on stage. This initiative aimed to foster social responsibility and encourage students to actively participate in community service and welfare programs.

Location: Chidambaram, Tamil Nadu | **Date:** 24/09/2025

3. RTI AWARENESS PROGRAMME

An RTI Awareness Programme was conducted by the NSS, YRC, and RRC units of the Department of Chemistry. Faculty members addressed the gathering, educating students on the Right to Information Act and how it can be utilized effectively. This initiative empowered students with essential legal knowledge to promote administrative transparency in society.

Location: Chidambaram, Tamil Nadu | **Date:** 10/10/2025

4. YOUTH AWAKENING DAY

The department celebrated Youth Awakening Day in remembrance of former President Dr. A.P.J. Abdul Kalam. Students and faculty members gathered to honor his legacy by paying floral tributes to his portrait. The commemorative event inspired students to embrace education and follow his visionary goals for a highly developed India.

Location: Chidambaram, Tamil Nadu | **Date:** 15/10/2025

5. SEMINARS AND GUEST LECTURES

Students regularly attended various seminars and guest lectures to expand their subject knowledge beyond the standard curriculum. These sessions were held in the university's seminar halls and step classrooms, providing valuable academic and professional insights. Active participation in these lectures helped students engage with different perspectives on complex topics.

Location: Chidambaram, Tamil Nadu | **Dates:** 19/12/2025

6.YOGA AND MEDITATION

Extension activities of yoga and meditation focus on spreading awareness and encouraging regular practice beyond personal routines. These activities include organizing yoga camps, workshops, and awareness programs in schools, colleges, and communities. Practitioners may conduct group meditation sessions, stress management classes, and wellness seminars to promote physical and mental health.

Additionally, online sessions, social media campaigns, and participation in events like International Yoga Day help reach a wider audience. These activities aim to improve overall well-being, reduce stress, enhance concentration, and build a healthy lifestyle among people.

Location: Chidambaram, Tamil Nadu | **Dates:** 09/01/2026

7. GAMES AND RELAXATION

Games and relaxation activities were conducted in our university class to reduce stress and refresh the minds of students. Various fun games encouraged teamwork, communication, and active participation among classmates. Along with games, simple relaxation techniques such as deep breathing and light stretching were practiced to promote mental calmness and physical well-being.

These activities created a positive and enjoyable learning environment, helping students to feel more energetic, focused, and motivated. Overall, the session was both entertaining and beneficial for improving concentration and reducing academic stress.

Location: Chidambaram, Tamil Nadu | **Dates:** 23/01/2026

8. CELEBRATION OF 150th VANDEMATHARAM

The 150th celebration of Vande Mataram was conducted in our university with great pride and enthusiasm. The event aimed to honor the historical and patriotic significance of the national song Vande Mataram, which has inspired generations during India's freedom struggle.

The program began with the singing of Vande Mataram, creating a sense of unity and patriotism among students and faculty members. Various cultural activities such as speeches, songs, and performances were organized to highlight the importance of the song in India's history.

Students actively participated and expressed their respect towards the nation through their performances. The celebration helped to instill a sense of national pride, cultural awareness, and unity among everyone present. Overall, the event was memorable and meaningful for all participants.

Location: Chidambaram, Tamil Nadu | **Dates:** 21/01/2026

Location: Chidambaram, Tamil Nadu | ***Dates:*** 21/01/2026

9. CAMPUS CLEANING

A campus cleaning drive was organized as part of the department's commitment to environmental maintenance. Students actively participated by clearing debris, sweeping pathways, and maintaining the outdoor garden areas using basic tools. This hands-on activity reinforced the importance of local sanitation and contributed directly to the Swachh Bharat mission.

Location: Chidambaram, Tamil Nadu | **Date:** 13/02/2026

10. DEBATE PROGRAM

As part of our university's extension activities, a debate program was organized to enhance students' communication, critical thinking, and analytical skills. The event provided a dynamic platform for students to express their opinions on relevant and thought-provoking topics.

Participants were divided into teams supporting and opposing the given topic. Each speaker presented their arguments with clarity, supported by facts, examples, and logical reasoning. The debate encouraged active participation, healthy competition, and respectful exchange of ideas among students.

The program helped students improve their public speaking skills, boost confidence, and develop the ability to think quickly and respond effectively. It also promoted awareness of current issues and fostered teamwork and leadership qualities.

Faculty members evaluated the participants based on content, presentation, confidence, and rebuttal skills. The session concluded with valuable feedback and the announcement of winners.

Overall, the debate program was an engaging and enriching experience that contributed to the holistic development of students.
